How To SET OUT TRASH

Place trash out in good quality trash bags in 30 gallon metal or plastic trash cans. Have them **at your property line by 7:00am the day of collection** or risk a missed pick up.

Call us at 775-5242 for pickup of large metal items. Don't pack cans with more than 60 pounds of material. All cans should have tight lids to avoid attracting animals and insects.

Items we DO NOT pick up:

concrete/brick

sod/dirt/sand/gravel

contracted tree/brush trimmings

(If you pay for trimming they need to take the materials away for you.)

contracted construction/demolition items

(contractor needs to dispose of these)

SET OUT RECYCLING LIKE THIS - IT KEEPS COSTS DOWN
RECYCLE - IT'S THE RIGHT THING TO DO!

Place your mixed paper - cereal boxes, magazines, catalogs and office paper in a paper bag next to the bin.

Fill your red bin with a paper bag holding rinsed metal cans, another bag for plastic bottles and one for glass jars.

Place flattened cardboard under your bin. Put newspapers and inserts in a paper grocery bag next to your red bin. Set out by 7:00am.

STEEL & SODA CANS

Rinse clean. No spray or paint cans.

PLASTIC CONTAINERS

Plastic bottles, containers, bags. lids all numbers.
No motor oil or antifreeze bottles.

GLASS

Rinse clean. No drinking glasses, ceramic or pyrex.

CARDBOARD

Flatten and tie in bundles.

NEWSPAPERS

Place in paper bags next to your recycle bin.

MIXED PAPER

Magazines, catalogs, office paper, cereal boxes, mail
Place in paper sack next to recycle bin.

SETTING OUT BRUSH, LIMBS

Brush no more than 4 inches in diameter and no more than six feet long can be taken curbside on your regular yard waste day. Place it in a pile at your curb. Brush will be chipped into mulch. For holiday trees remove tinsel, plastic bags and tree stands and set the trees out on your regular yard waste day. **No contracted work will be picked up** - if you paid someone to trim your yard they need to dispose of the materials.

If you have larger limbs, shrubs and trees to dispose bring them for a fee to these commercial sites: •**Soilmaker**, 2000 S. River Rd. WL, 414-5788. \$5 minimum/1 cent a pound after that. Hours M-F 8am-5pm, Sat. 9am-3pm (April-Oct. for Sat. hours) •**Tippecanoe Trash Transfer Station**, 2770 N. 9th Street, 742-7131. \$10 /carload, \$18/truck load. Hours MWF 7am to 4pm, T, Th 7am to 6pm, Sat. 7am to 1pm. Both sites also take leaves and grass.

LATEX PAINT DISPOSAL

Paint that can be cleaned up with soap and water is latex. Dry it out by pouring as much cheap clay kitty litter as there is paint into the can. It will dry in 24 hours. Set it out for the regular trash with the lid off. Then our sanitation workers can see it is dry and they can put it with the trash. Our workers can't take undried latex paint.

For a full can of latex paint, get a sturdy cardboard box and line it with a trash bag. Pour cat litter into it and paint on top until you empty half the can. Dry what remains in the can as above and set out for the trash.

Call Wildcat Creek Waste District at 423-2858 with questions on how to dry out latex paint, or if you have oil based paint. They do not accept latex paint.

SET OUT TRIMMINGS, LEAVES, AND GRASS

Grass clippings, weeds, spent plants, leaves and other yard waste **MUST** be placed in a rigid container such as a 30 gallon plastic or metal trash can that has handles. No bags please! Set it out on your scheduled yard waste collection day. It will be taken for composting.

In the fall, leaves may be placed windrow style 1 foot away from the curb. Because the city uses a vacuum to pick them up please place brush in a separate pile. Please check our website www.westlafayette.in.gov and the newspaper for the leaf pick up schedule.

If you rake leaves outside of the scheduled pick up time for the leaf vac, they **must** be placed in a rigid container for pick up on your yard waste day.

TOTERS FOR SALE \$69.55 EACH

These wheeled 96 gallon trash toters are available from the West Lafayette Street Department for \$69.55 each.

They are heavy duty, have a tight fitting lid, extra strong wheels, are convenient and fit the mechanical lifter on city trash trucks.

Call 775-5242 for more information.

New residents receive one red recycling bin for free. Extra bins can be purchased from the West Lafayette Street Department for \$6.57 each. Call 775-5242 for more information.

SET OUT SCRAP METAL

Call the Street Department at 775-5242 when you have scrap metal.

Then set it out at the curb. We will send a truck and take it to the scrap yard for recycling.

Scrap metal items include ovens, washers, dryers, hot water heaters, metal swing sets, old metal fencing, bed frames, metal sinks and more.*

Remove parts that are not metal.
*No refrigerators, a/c's, freezers or dehumidifiers. See back page.

WHERE TO TAKE ITEMS NOT PICKED UP CURBSIDE

HAZARDOUS LEFTOVERS

Never put toxic, flammable or corrosive products in the trash. They can injure sanitation workers and pollute our land, air and water. Use up or take them for proper disposal to:

Wildcat Creek Waste District

Monday Hazardous Product Drop Off

1. First call 423-2858 to tell them what materials you have. They will tell you how to pack materials and give directions to their collection site on 9th St. north of Lafayette.

2. Then bring items any Monday from 9:00am to 6:00pm. Gas, pesticides, acids, mercury items, oil based paint & stain, aerosols, propane tanks, solvents, fluorescent lamps etc. NO LATEX paint accepted, see opposite page for drying instructions.
